INITIAL ENTRIES: An initial entry roster of all potential competitors must be accurately submitted to Direct Athletics by Friday, February 14, 2014. Athletes not on your initial roster will be removed from the performance list. Each roster addition after February 14, 2014 will be subject to a \$50.00 fine. No roster additions will be accepted after Wednesday, February 26, 2014 at 9:00 A.M.

USER FEE: A "users" fee of three, (\$5.00) dollars per athlete entered on the initial entry roster must be paid prior to the start of the championship. Checks should be made payable to NYSCTC and will be collected at the championship registration.

FINAL DECLARATIONS: The final declaration procedure is as follows:

1. Update any athlete performances at Direct Athletics by Monday, February 24th at 6:00pm. Remember, your athlete must appear on the NYSCTC performance list or you will have to use a wildcard.
2. Final declarations will be submitted to Direct Athletics beginning at 12:00noon on Tuesday, February 25th and closing at 12:00noon on Wednesday, February, 26th.
3. The official seeding of event entries will begin at the close of final declarations on Wednesday, February 26th.

4. A final list of entries will be made available electronically to coaches by 12:00 Noon on Thursday, February 27th, 2014.

LATE DECLARATIONS: Late declaration petitions (forgotten declarations or declaration forms received after 12:00 Noon) may be made until the seeding process begins on (Wednesday, February 26, 2014 at 4:00pm) If the late entry or declaration petition is approved by the Executive Committee, a \$50.00 fine will be assessed.

QUALIFYING STANDARDS: See website.

WILD CARDS: Each institution will be allowed two wild card entries per gender. List wild card entries, on the declaration form as (WC).

FILLING FIELDS: The **field size will be filled to 18 athletes per event** in the following order of preference:

1. All Qualified Declared Athletes
2. All Non-Qualified Declared Athletes that are listed on the performance list

Wild Card entries will automatically be added to the field regardless of field size.

If you want an athlete to compete, he/she must be declared, even if he/she has not met the standard. The following examples should help answer any questions you might have on declaring your athletes.

Example 1: *Qualified athletes that are declared receive automatic entry into field.*

Example 2: *Twelve athletes on the performance list have met the standard in an event. Your athlete who has not met the automatic standard, but is ranked 18th, will be picked up for the field if he/she is declared. There is no need to use a wild card for this athlete.*

Example 3: *If your athlete is 20th on the list and has not met the qualifying mark, you have two options. Declare him/her as you did in example two and hope that 2 athletes in the top 18 are not declared or you can use a wild card to guarantee he/she gets in.*

HEAT SHEETS: Heat sheets will be available in your packet when you check-in on February 28th at beginning at 9am as well as on the web by noon on Thursday.

PACKET PICK-UP: Coaches may pick up meet packets in the lower level of Newell Field House beginning at 9am on Friday, February 28, 2014. Refer to the web site link for the campus map and the location of Newell Field House.

TIMING and RESULTS: Fully automatic timing will be used in all running events. A system including two Finish Lynx cameras will produce the times and will be integrated with Hy-Tek meet management software to produce the results for the championship. **Live results** will be available on the NYSCTC Website and the St. Lawrence

Athletics Website and will be complete after the last event of each day of competition.

ATHLETIC TRAINING INFORMATION

On behalf of the St. Lawrence University Athletic Training Staff I would like to extend a warm welcome to each of the participating teams in this year's NYSCTC Championships. We are proud to be hosting this event at St. Lawrence and welcome the opportunity to assist you with your Athletic Training needs while you are at the Championships.

The Athletic Training Center is located on the lower level of the Augsbury PE Center, which is located directly behind the Track and Field Stadium. For this year's Championships, we will be providing the following services:

1. The Athletic Training Room will be open 2 hrs. prior to competition on Friday and Saturday.
2. A Certified Athletic Trainer will be on sight throughout the duration of the Track and Field events on both days. Water and ice will also be available on sight.
3. Please bring any needed tape with you and our staff will assist you with taping, wrapping and treatments.

Please take note that it is our policy to require authorization from your Certified Athletic Trainer or Doctor's prescription to provide any form of therapeutic treatments, i.e. ultrasound, whirlpool, etc... Questions regarding the specifics of this policy should be directed to a member of our Athletic Training Staff prior to the championships.
